

Thank you for meeting us at FIT SHOW 2017

We hope you enjoyed the show as much as we did.

After three intense days of good conversations, discussing new projects, meeting friends, customers and new people we can say this edition has surpassed our expectations.

We will now work on the inquiries and come back to you as soon as possible.

WPR/Taka say thank you and we hope to meet you soon.

For any further information, contact us on info@wpr.it.
